

PROJECT NAME

HERO SHOT 1

This is a styled visual or photo representation of the main product, service, or offer.
*It should clearly communicate the look, feel, and value of what you are providing.
You can use 3D modelling, drawing, photomontage, collage, etc. If you are not good at drawing, you can also use Ai to help craft a good image of your offer.*

PROJECT NAME

HERO SHOT 2

This visual places your product, service or experience within its intended environment, showing extra info like scale or intended use.

This hero shot can incorporate words or diagrams to clearly show value of the offer and context of use.
